

# Lucas Local Schools

## ATHLETIC PARTICIPATION HANDBOOK 2018-2019

Board of Education Adopted  
June 5, 2018

---

*Lucas Local Schools Athletic Department*  
5 First Ave. Lucas, OH 44843  
419-892-2338 x236 419-892-1138 (fax)  
[teague.eric@lucascubs.org](mailto:teague.eric@lucascubs.org)

## *Welcome & Introduction*

We are excited and proud that you have chosen to represent the Lucas schools and community by becoming a member of the athletic program of the Lucas Local Schools! By committing to a team, you play an integral role in the athletic program and will take part in a task inherent with scrutiny, sacrifice, dedication, selflessness, hard work and rewards. We look forward to seeing how you will add your unique talents, skills and abilities to the history and tradition of the Lucas Cubs.

To ensure that Lucas has an athletic program of which it can always be proud, the District and Athletic Department have developed rules, regulations and guidelines to help maintain the high standards of excellence expected from students involved in athletics. It is our hope that this handbook will help provide students, families and coaches with the information necessary to excel within the athletic program.

We wish each of you the best as you compete this year. **GO CUBS!**

Mr. Teague, High School Principal & District Athletic Director  
419-892-2338 x236      [teague.eric@lucascubs.org](mailto:teague.eric@lucascubs.org)

**Sportsmanship is  
*Everyone's*  
Responsibility!**

## Lucas Athletic Department Philosophy & Mission

As a member of the Ohio High School Athletic Association (OHSAA) and the Mid-Buckeye Athletic Conference (MBC), the Lucas Local School District is dedicated to excellence in both academics and athletics and believes that a dynamic program of student activities is vital to the overall development of each student. As an integral part of the total educational curriculum, the Lucas Athletic Department strives to provide a nurturing environment to assist in developing lifelong learning skills, positive working relationships, self-realization and all-around growth while also developing students into productive members of the local community and the greater society. To accomplish this, the athletic staff will strive to create a program with a variety of experiences to enhance the development of positive habits and attitudes that students may carry into adulthood. The staff will promote dedication, hard work, sportsmanship, integrity and discipline to help instill a sense of pride and tradition in Lucas athletics, the school and community and to enable each student to work toward his/her ultimate potential.

### GUIDING PRINCIPLES & OBJECTIVES:

- We will promote a positive image of athletics, whether on the fields of play, in school or within the community.
- We will continually strive for victory and will accept defeat with grace, knowing that we have striven to win with the utmost dedication.
- We will accept both success and failure with humility. We will treat others as we would be treated and will exhibit the admirable traits of self-control, loyalty, honesty, leadership, self-motivation, teamwork, integrity and dependability.
- We will acknowledge the personal rewards we obtain from participation, but realize that unless we give our best effort for the improvement of the team, true success will never be achieved.
- We will learn that in all situations, important life-lessons can occur. Each win or loss, contest or practice, bus ride and locker room speech is filled with opportunities that students, parent/guardians, coaches, family, friends and fans can utilize. We will endeavor to act accordingly and react to each situation in an appropriate manner.
- We will become active citizens by obtaining physical fitness and good health habits through our participation and carry these with us when our playing days are over.
- We will remember that above all, interscholastic competition is a game. As such, we will always strive to have fun and enjoy our time with friends and family!

---

*Sportsmanship...*

*Make it a tradition...*

*Practice it for Life!*

## *Mid-Buckeye Athletic Conference Sportsmanship Guidelines*

Sportsmanship is behavior characterized by generosity, a genuine concern for others, following accepted rules and regulations and acting with respect and integrity at all times. The ideals of sportsmanship, ethical behavior and integrity permeate our culture as these values of good citizenship and high behavioral standards apply equally to all disciplines. Lucas and the MBC view good sportsmanship as a concrete measure of this understanding and commitment to fair play, ethical behavior and integrity.

Spectators are to demonstrate positive enthusiasm without causing harm, danger or embarrassment to the team, school or others in attendance by showing respect towards all players, coaches, officials and fans, as well as showing pride and respect for their school. Students are reminded that the majority of school rules are still in effect at after-school events and that disciplinary action may be taken for actions at athletic events. All spectators are reminded that failure to follow these guidelines, or failure to comply with the directions of game or school officials, will be cause for ejection from the contest without refund.

1. The Mid-Buckeye Conference supports and encourages positive cheers with good sportsmanship that build school spirit. Cheers, chants and other like actions made in vulgar or demeaning ways to opposing teams, individual students or game officials are prohibited.
2. Pep and/or marching bands are encouraged to play during pre-games, halftimes, quarter breaks and in conjunction with Cheer squads. Band and other music source activities may not occur in a manner to drown out opposing bands, team activities or cheer squads.
3. Noisemakers and the throwing of anything onto the playing surface or into the air at indoor contests (talcum powder, confetti, etc.) are prohibited.
4. Visiting teams, schools or fans are not permitted to hang or place banners/signs within the host facility. It is the responsibility of the Home administration to ensure that all Home banners/signs meet all stated sportsmanship guidelines. There is no limitation to the number of Home team banners/signs, given that they meet the stated sportsmanship guidelines.
5. Students are not permitted to sit behind opposing team bench areas.
6. At indoor events, any students or fans standing must do so at their seat within the bleachers.
7. Fans are not permitted on the playing surface, except during special functions as approved by the Home administration (parent recognition, 3-point shot contest, etc.).
8. All player introductions must be conducted in the same lighting conditions that would be used during the contest itself. Lights are not to be turned off or down in order to use a spotlight for player introductions. Exceptions would be a contest that begins in daylight and extends into darkness, such as football.
9. Teams are to show respect of and to their opponents at all contests. Teams are not permitted to circle the opponent during warm-ups, congregate at center-court/field for chants, cheers, stretching or the like (before, during or after the contest), nor are they to engage in any activities that will incite an unsportsmanlike response from fans or opposing players/coaches.
10. The Home Athletic Director/designee shall meet with the game officials, security personnel and visiting coaches and administration prior to the game to inform them of special ceremonies, security procedures, where you will be located during the contest, etc.

## *Lucas Athletic Department Communication Plan*

The Lucas Athletic Department is committed to making athletic participation a meaningful experience for all stakeholders. Part of this commitment is to continually improve communication with students, parent/guardians and fans. To be truly successful, communication must be clear, concise and timely. The Athletic Department will utilize a number of sources of communication to accomplish this goal, including, but not limited to, this handbook, the athletic websites, local media outlets and the school announcement systems.

### *What students and parent/guardians can expect from their Coach(es):*

- The coach's philosophy of coaching and the game.
- The overall expectations the coach has for the squad and the individual student.
- Requirements necessary to be part of the team (i.e., fees, special equipment, etc.).

- Notification regarding injury sustained by the student.
- Any disciplinary action toward the student that results in denial of participation.
- When and where practice and contests are to be held.

*What Coaches expect from students and parent/guardians:*

- Written notification of potential schedule conflicts well in advance.
- Support toward the program's goals & directions.
- Concerns expressed directly to the Head Coach, at the appropriate time.

*Concerns/Issues that Coaches would love to discuss with parent/guardians:*

- Your student's behavior, attitude and/or classroom performance.
- The mental and/or physical treatment of your student.
- Areas of needed skill improvement and development opportunities for your student.
- Playing time, but always with the student present and not before or after a contest.

*Concerns/Issues not open to discussion with parent/guardians:*

- Team strategy, game plans and/or play calling.
- Comparisons of one student to another.
- Other students' private information (academics, discipline, injuries, etc.)

*To discuss a concern/issue, the following procedure is to be followed:*

1. Contact the Coach to make an appointment. If the concern/issue has validity, the Athletic Director (AD) expects that the item first be discussed directly with the Coach.
2. If for some reason the Coach cannot be reached, please contact the AD who will set up an appointment for you.
3. Do not attempt to confront a Coach before, during or after a contest. This is an emotional time for all parties and generally does not allow for objective analysis of an issue.
  - Under no circumstances will a conference with a Coach have an adverse consequence on the standing of the athlete, except in those obvious instances of rule/policy infringement.

*What if you hold a meeting with your Head Coach and are not satisfied with the results?*

- Contact the AD at 419-892-2833 x236 or e-mail [teague.eric@lucascubs.org](mailto:teague.eric@lucascubs.org) to discuss the issue.
- Any appropriate steps will then be determined.

## *Conduct & Responsibilities of Students*

As a member of an athletic team, certain responsibilities must be maintained in order to build the Lucas tradition. A successful athletic program is built over generations of hard work and the dedication of many students, coaches and supporters. By joining the athletic program at Lucas, you have accepted a challenge to improve upon the efforts of these teams! It is not always easy to contribute to such an imposing task. As a Cub, you will have to say no to certain items and situations that an athlete simply cannot afford to be involved with.

A student's conduct is closely observed in many different arenas. You have assumed a leadership role as a member of an athletic squad. The student body and community will know you, witness your actions and hear your words. Those both within and outside our community will judge Lucas by your conduct and actions. You have also become a role model to both peers and younger students. On the playing surfaces, the use of profanity and unsportsmanlike or illegal tactics must never be used. Regardless of contest results, you are expected to show respect to opponents, coaches, fans and game officials at all times.

As a student, you owe it to yourself to get the greatest good from your classroom experiences and reach your ultimate potential. Participation in athletics is an integral component in this, as it helps to broaden your strength of character, your sense of being and teaches personal responsibility. Your studies and your participation in extracurricular activities will help prepare you for the "real world." On top of maintaining academic eligibility, you must give respectful attention to classroom activities and show respect for other students and school staff. Horseplay and unnecessary boisterousness are not approved habits of behavior for athletes at Lucas. ***Be the person that others want to follow!***

## *Conduct & Responsibilities of Parent/Guardians*

To enjoy your student's participation to the fullest and make it fun and meaningful to him/her, please:

- Understand what your student wants from sports and provide support to achieve those goals.
- Encourage your student to play sports but let your student choose what and when to play.
- Set limits; make sports an enjoyable addition to your student's life!
- Show support by ensuring proper amounts of rest, nourishment and time for class work.
- Help your student keep winning & losing in perspective.
- Help your student set challenging and realistic performance goals.
- Help your student understand the many life-lessons that athletic participation provides.
- Permit the coaches to do the coaching.
- Provide the coach with information on special health conditions your student may have and make sure your student gives any necessary medications to his/her coaches before each practice and/or contest.
- Help your student be responsible by ensuring that he/she is at all practices and contests on time, with the proper equipment and supplies.
- Be a role model to your student by positively supporting the team at all times, including the content of your cheers and your conversations at the dinner table.
- Respect the decisions made by coaches and officials, even when you disagree with them.
- Realize that purchasing a ticket grants you a privilege to observe a contest and support a district team. This ticket does not provide you a right to verbally assault players, coaches, officials or other fans. This, and other generally obnoxious behavior, subjects you to ejection from the event. Additionally, administration reserves the right to remove and/or ban any parent/guardian or fan from school activities and/or grounds due to disorderly conduct.
- Be prepared to staff game concessions and game event activities (tickets, line judging, scoreboard, etc.)
- Remember that these are children playing a game. Keep it fun for them!

## *Conduct & Responsibilities of Coaches*

The Lucas Athletic Department is committed to providing all students with the ability to compete in a variety of activities in a properly controlled, organized and educationally sound program. In an effort to enhance our students' social, mental and physical growth, coaches will:

- Set a good example for participants and fans, exemplifying high moral, ethical and sporting behavior.
- Be constantly aware that instruction takes place through modeling and structured teaching.
- Desire to win, while focusing on the health, safety, welfare, worth and dignity of the individual student.
- Be aware of the various audiences they perform in front of, including players, assistants, teachers, administrators, parents, fans, media, board of education members, etc. and will work to maintain the trust and confidence of those directly involved in the program.
- Encouraging students to be active in as many activities as they can.
- Work to discover the individual strengths, interests and aspirations of their students and make decisions based on this knowledge.
- Communicate an open and friendly willingness to listen.
- Will work with adults involved to find a suitable solution for inevitable student schedule conflicts without placing the student at the center of this conflict.
- Be prepared to respond to even the most highly pitched emotional situations in the appropriate manner. Over-reaction and impulsivity must be the exception - not the norm.
- Be highly organized and prepared for all situations. Coaches shall also be flexible and aware of the need for revision to any and all plans.
- Be committed to their craft and further their professional knowledge through attendance at clinics and training programs to further develop their leadership abilities.
- Complete all educational and training programs as mandated by the OHSAA, Ohio Department of Education and/or the Lucas Local Schools Board of Education and Athletic Department.

## *Levels of Competition*

### Varsity

The perfection of skill, playing the best overall athletes possible and winning is the emphasis at this level. While winning at all costs will never be a part of our philosophy, no apology shall be necessary when the varsity team does all it can within the bounds of ethics, integrity and sportsmanship to win each and every contest. In certain sports, cutting may be used and it is extremely likely that some players may not see action in each contest.

### Junior Varsity

This level of competition begins to focus on skill refinement and winning as a team. Cutting may occur at this level in certain sports. It is possible that not every player will have the opportunity to play in every contest.

### Freshman

Emphasis at the freshman level is on participation, skill development and team success. If a sports program supports a freshman squad, efforts will be made not to cut players at this level, as the future ability of these students is largely uncertain. Attempts will be made to play as many students as possible during each contest while striving for victory for the entire team.

### Middle School

Preferably, two teams will be created at the 7<sup>th</sup> grade and the 8<sup>th</sup> grade levels in each sport. If low numbers make this impossible, combining all 7<sup>th</sup> and 8<sup>th</sup> grade students will create a single Middle School team. Emphasis at this level is on individual participation along with team success. Every attempt will be made to encourage student participation including attempts to play each student in every contest while also ensuring success for the entire team. Cuts will not be made at the Middle School level.

## *Interscholastic Competition*

The Lucas Local Schools participates in the following interscholastic athletics within the governing rules, regulations, policies and guidelines of the OHSAA & the MBC and presents awards and associated honors to participants who finish each season in good standing:

Middle School: Cheerleading (football & basketball, 7<sup>th</sup> & 8<sup>th</sup> grade), Cross Country (boys & girls), Football (7<sup>th</sup> & 8<sup>th</sup> grade), Volleyball (7<sup>th</sup> & 8<sup>th</sup> grade), Basketball (boys & girls, 7<sup>th</sup> & 8<sup>th</sup> grade), Wrestling, Track & Field (boys & girls)

High School: Cheerleading (football & basketball), Cross Country (boys & girls), Football, Volleyball (girls), Basketball (boys & girls), Indoor Track & Field (boys & girls), Wrestling, Baseball, Softball, Track & Field (boys & girls)

## *Requirements for Athletic Participation*

As outlined by the OHSAA and this handbook, students are prohibited from participating in any mandatory practice, scrimmage and/or contest until all of the following items have been submitted to the Athletic Office:

1. **Physical Examination Form**
2. **Emergency Medical Authorization (EMA) Form**
3. **Residency Report**
4. **Medical Insurance Responsibility**
5. **OHSAA Eligibility Checklist**
6. **Parent/Guardian & Athlete's Pledge**
7. **Concussion Management Information Form**
8. **Satisfaction of OHSAA & Lucas Eligibility Requirements**
9. **Team Training Rules**

## *Notice of Risk of Participation*

Students and parent/guardians must realize and understand the very real possibility of serious injury, *or even death*, as a normal hazard of athletic participation. Lucas will use the following safeguards in an effort to

eliminate injury to students, but cannot in any way imply a guarantee of a student's total safety once they choose to participate in athletics:

- All coaches will adhere to all OHSAA rules, regulations and guidelines, as well as obtain required coaching certifications, including training in sports-related first aid, concussion awareness and cardiopulmonary resuscitation.
- Coaches and/or the athletic trainer (when available) will provide to students information on proper conditioning techniques, nutrition and injury prevention and rehabilitation.

## *Athletic Department and Board of Education Policies*

To uphold the high standards of conduct and citizenship expected of all students participating in the athletic programs at Lucas, this Athletic Participation Handbook (APH) is designed to preserve the rules, regulations and guidelines necessary to ensure the health and safety of the individual student and the orderly conduct of the athletic program. Individual coaches and/or coaching staffs may supplement the rules, regulations and guidelines contained within this handbook, but they may not establish any rules, regulations, guidelines and/or expectations in contradiction of this APH. Each Head Coach will provide to each student and the AD a copy of the team training rules that apply during the season and any other situation in which the student represents the school (summer camp, all-star games, etc.).

## *Athletic Department Conduct Code*

The following rules, regulations and guidelines will be in effect from the moment a student (athlete, manager, statistician, etc.) begins participation in any interscholastic program within the Lucas Local Schools. **These regulations are in effect 24 hours a day, 7 days a week, from August 1<sup>st</sup> through July 31<sup>st</sup>, which includes the entire school year and summer. These regulations are also in effect in all settings, whether school and non-school.**

In the event that a student fails to comply with these standards and expectations, it will be interpreted by the Athletic Department as an indication that the student does not have sufficient desire to participate in the athletic program. Therefore, the student may be denied the privilege of participating until such time as he/she proves his/her desire to participate. The precise period of the denial of participation will depend on the violation, attitude and disciplinary history of the student. Repeated and/or flagrant violations may result in total denial of participation from the interscholastic athletic program. *For any student in violation of the athletic policy during the school year, but not during the season of his/her participation, disciplinary procedures will carry into the next consecutive season of participation.*

**It is important to remember that if a student is fortunate enough to become a member of a Lucas sports team, this does not indicate a right to participate on the team. It is a privilege to be an athlete and the privilege of participation is dependent upon a student successfully upholding the rules, regulations, expectations and guidelines contained within this APH as well as those contained within individual team rules, regulations, expectations and guidelines.**

### **ABSENCE FROM SCHOOL**

To be eligible for participation in athletics, students must maintain high standards of attendance and academic performance. For this purpose, students participating in athletics on a given school day must be present in classes from 9:00am-3:21pm. Failure to do so will result in the denial of participation in any practice, scrimmage and/or contest that day. Excused absences (field trips, doctor's appointments, funerals, etc.) do not prohibit a student from participating in athletics on a given school day.

### **CHEMICAL HEALTH POLICY**

#### **Alcohol and/or Drugs**

Students are prohibited from using, consuming, dispensing, selling, distributing, transmitting and/or possessing any form of alcohol and/or illegal narcotic and/or illegally used drug (a drug or medication used

in a manner other than its intended form as prescribed by the manufacturer), counterfeit drug and/or paraphernalia.

**FIRST OFFENSE**

1. The student may be denied the privilege of athletic participation for a period of one (1) school year from the date of the violation.
2. The denial of participation may be reduced to one-half ( $\frac{1}{2}$ ) of the school year, provided the student receives an evaluation by a certified counselor or a physician trained in chemical dependency. The student must have a drug/alcohol screening to determine the level of involvement and attend an intervention program (screening and program at parent/guardian expense). Proof of successful completion of such a program must be provided to the AD before a reduction will be approved.

**SECOND OFFENSE**

1. The student shall be denied the privilege of athletic participation for the remainder of his/her career.
2. The denial of participation may be reduced to a one (1) school-year period, provided the student receives a full & complete dependency assessment by a certified professional counselor and follows all recommendations of the assessor which may include out-patient counseling and education, in-patient treatment, referral to another social service agency and others. This assessment and implementation of the assessor's plan are at the expense of the parent/guardian. No reduction will be granted until after completion of both the assessment and the recommendations. Proof of successful completion of such a program must be provided to the AD before a reduction will be approved.

**THIRD OFFENSE**

1. The student shall be denied the privilege of athletic participation for the remainder of his/her career, without the opportunity for a reduction.

**Tobacco**

Students are prohibited from using, consuming, dispensing, selling, distributing, transmitting and/or possessing any form of alcohol, tobacco and/or paraphernalia.

**FIRST OFFENSE**

1. The student will be denied the privilege of athletic participation for twenty-percent (20%) of the total contests in a season, plus receive any disciplinary consequences as dictated by the school discipline code. The exact number of contests to be missed will be determined by the season(s) and/or sport(s) participated in.
2. The student shall be required to attend and participate in all practice sessions during the denial of participation period. He/She shall also be required to attend all contests during the denial of participation period, but will not be permitted to wear the team uniform.

**SECOND OFFENSE**

1. The student shall be denied the privilege of athletic participation for the remainder of the current season and fifty-percent (50%) of the next consecutive season participated in.
2. This denial of participation may be reduced to a thirty-percent (30%) denial of participation, provided the student receives an evaluation by a certified counselor or a physician trained in chemical dependency. The student must have a drug/alcohol screening to determine the level of involvement and attend an intervention program (screening and program at parent/guardian expense). Proof of successful completion of such a program must be provided to the AD before a reduction will be approved.
3. The student shall be required to attend and participate in all practice sessions during the denial of participation period. He/She shall also be required to attend all contests during the denial of participation period, but will not be permitted to wear the team uniform.

**THIRD OFFENSE**

1. The student shall be denied the privilege of athletic participation for one (1) school-year from the point of the violation.
2. This denial of participation may be reduced to one-half ( $\frac{1}{2}$ ) of the school year denial of participation period, provided the student receives a full & complete dependency assessment by a certified professional counselor and follows all recommendations of the assessor which may include out-

patient counseling and education, in-patient treatment, referral to another social service agency and others. These assessments, and implementation of the assessor's plan, are at the expense of the parent/guardian. No reduction will be granted until after completion of both the assessment and the recommendations. Proof of successful completion of such a program must be provided to the AD before a reduction will be approved.

3. The student shall be required to attend and participate in all practice sessions during the denial of participation period. He/She shall also be required to attend all contests during the denial of participation period, but will not be permitted to wear the team uniform.

#### ***FOURTH OFFENSE***

1. The student shall be denied the privilege of athletic participation for the remainder of his/her career, without the opportunity for a reduction.

#### **COLLEGE RECRUITMENT**

In the event that a college coach and/or recruiter makes personal contact with a student, the student has the obligation to notify his/her coach and the AD. Failure to inform your coach and the AD of such contact could damage future collegiate eligibility. More details on college recruitment information may be obtained online at [www.ncaa.org](http://www.ncaa.org).

#### **CONFLICTS IN ACTIVITIES**

Lucas students are encouraged to participate in a wide range of activities, but are warned about taking on too much for their own good. Students who choose to become active in numerous activities must recognize the potential for numerous conflicts. Students are reminded that by joining a Lucas team, they are making a commitment to the school and their classmates in regard to all practices and/or contests.

For the purpose of eliminating potential scheduling conflicts and resolving them in a positive and productive manner without the student being placed in the center of the dispute, the following guidelines are to be followed whenever a schedule conflict occurs:

- All performance activities, competitions, trips, conventions, etc. must be placed on the District calendar as soon as they are scheduled to notify all of potential conflicts.
- Curricular activities (educational field trips, performances, contests, etc.) shall take priority over athletic contests or practices. Every effort will be made to avoid these situations.
- Any formal performance (game, contest, tournament, etc.) takes priority over a practice activity.
- In-season practice activities will take priority over an "open gym" and/or conditioning activity.
- Any activity that counts toward a classroom grade will have priority.
- Priority will be given to the activity where the student is an active participant versus one where he/she is basically a spectator.
- If a schedule conflict still exists, the coach(es), advisors and/or directors involved will resolve the conflict by utilizing an equal sharing of the student's time. This can be accomplished by sharing of time on a given day or alternating days of attendance at the given activities.
- If the advising authorities can achieve no resolution, the AD will make a final decision.
- At no time will there be negative consequences for a student who finds him/herself in an activity conflict given that he/she has followed the directions provided by the advising authority.

#### **CUTTING PROCEDURES**

While the Athletic Department wishes to involve as many students as possible in athletics, there are times when students may be eliminated from a team for a number of reasons, including, but not limited to:

- a. Optimum number of students to conduct productive practices and ensure adequate substitutes,
- b. Academic eligibility of those students trying out,
- c. Talent, attitude and work ethic of those trying out,
- d. Number of individual students trying out,
- e. Specific sport-related skills and abilities.

In a situation where it becomes necessary to eliminate students from participation on a team due to the above, the following are the minimum guidelines that coaches will follow when cutting:

1. Prior to the 1st day of tryouts, the coach will provide a written criterion that students will be judged upon. The list will be as specific as possible (e.g. “students must have a vertical jump of at least 16 inches” or “be able to make lay-ups with either hand”).
2. Tryouts must last at least 3 full practice sessions. Students will be informed of the length of the tryout period in advance.
3. “Cut-lists” will not be used. Cut students are to be told in an individual meeting with the coach the reason(s) he/she was eliminated.
4. Provided the previous guidelines are followed, the coach’s decision is final in regard to all cuts.

### **DRIVING & PARKING REGULATIONS**

Be aware that driving to school by students is a privilege that may be suspended/revoked for various reasons. All student-driven vehicles must be registered in the office using a *Vehicle Registration Form*. Parents/guardians must realize that in every case they are responsible for what their student does & assume all responsibility for damages that result from an accident caused by or involving their student going to or from school in a private vehicle.

**Driving privileges may be suspended/revoked and/or discipline administered in accordance with provisions as outlined in the Student Handbook.**

### **Parking & Traffic Regulations**

- a. Students are prohibited from driving or parking on Lucas North Road during school hours, *even when excused from class due to an early departure for an athletic event.*
- b. Students are prohibited from driving on Lucas North Road until after 3:30pm on school days.
- c. Students (and coaches) are prohibited from entering the Elementary School parking lot until after 3:45pm on school days.
- d. Students (and coaches) are prohibited from parking in front of the Middle School or along Lucas North Rd. when home volleyball or basketball contests are scheduled. These spaces are reserved for our guests.

### **DRESS CODE**

Students participating in athletic workouts, summer leagues, practices, scrimmages, contests, etc., are expected to follow the basic principles of the District’s Student Dress Code at all times, including that students shall not dress or appear in a fashion deemed inappropriate that either interferes with the student’s health and welfare or that of other students, or causes disruption or directly interferes with the educational process of which athletics is a part. Any form of dress or grooming that attracts undue attention or violates the previous statement is unacceptable. In addition:

- Illustrations, names, slogans or patches on clothing and/or jewelry shall not be profane, lewd, suggestive, obscene, nor refer to sex, alcohol, tobacco, drugs or other illegal activity.
- Visible tattoos and/or other body decorations shall not be profane, lewd, suggestive, obscene, nor refer to sex, alcohol, tobacco, drugs or any other illegal activity.
- Jewelry of any type, except watches for distance runners, is prohibited.
- Brief and/or revealing clothing, items that are “see-through,” low-cut, expose any amount of cleavage or expose one’s midriff are prohibited. Students shall not wear extremely low-cut tank tops, halter-tops, spaghetti straps or strapless garments.
- Undergarments must not be visible at any time.
- A shirt meeting the above standards must be worn at all times when outside the locker room.
- Pants, shorts, sweats, lounge pants, etc. with writing or decoration on the buttocks is prohibited.
- Team uniform tops may not be worn to school/class unless it is done as part of a designated team activity. Sweat suits, travel suits, warm-up gear and the like may not be worn to school/class.
- Footwear must be worn at all times when outside the locker room and must not pose a safety hazard.

### **DUE PROCESS PROCEDURES**

As a matter of constitutional, as opposed to statutory law, a student does not have a constitutionally protected liberty or property interest in extracurricular activities. In *Glenn v. Harper*, 620 F.2d 302 (6<sup>th</sup> Cir.

1980), the District Court determined that athletes do not have a right to due process procedures (notice, hearing, etc.). However, every effort will be made by school administration to inform the student and parents/guardians of the violation and potential consequences.

When the alleged infraction becomes known, the student shall be informed of the possibility of the denial of participation and the reason(s) for such action by the Coach, Athletic Director and/or Principal.

Administrators have the right to suspend the student from school and deny the privilege of athletic participation in accordance with the policies outlined in this handbook. Parents/guardians of Lucas students are given the opportunity to appeal all decisions of athletic participation directly to the Superintendent of Schools, whose decision is final. If the decision is made to appeal a denial of participation, the superintendent's office must be notified in writing within seventy-two (72) hours.

1. Any violation of the athletic policy is subject to disciplinary consequences in line with school policy, individual sport training policies and this APH.
2. Disciplinary problems in school or at school-related activities involving the student, whereby the student is suspended from the regular classroom setting, ***including placement in the Alternative Learning Center (ALC)***, will result in the denial of participation from all contests during the suspension period.
3. During placement within the ALC, the student is required to attend and participate in all practices. Failure to do so may result in ejection from the team/squad. During an out-of-school suspension, the student is prohibited from attending any practice or contest involving the team/squad, home or away.

### **ELECTRONIC DEVICES**

Student use of cell phones, iPods, and other electronic devices during athletic participation will be permitted at the discretion of the individual Head Coach or OHSAA regulation. However, the use of with audio/video recording capabilities is strictly prohibited from any restroom or locker facility. The District assumes no liability for lost, stolen or damaged devices.

### **EQUIPMENT and/or UNIFORMS**

Any school equipment and/or uniforms checked out to a student are the student's and his/her parent/guardians' financial responsibility. When equipment is dispensed, each student will sign for all items received. Please note that failure to return all equipment/uniforms in good condition, including failure to return items in a clean condition, may result in fines, fees and/or penalties, denial of future participation, the withholding of grade reports, transcripts and/or athletic awards. ***Equipment/uniforms must be returned directly to your coach; office personnel will not collect equipment/uniforms.***

### **HAZING**

Hazing activities of any type are inconsistent with the educational process and shall be prohibited at all times. Hazing is defined as doing any act or coercing another, including the victim, to do any act of initiation into any student or other like organization that uses or creates a substantial risk of causing mental or physical harm to any persons. Permission, consent or assumption of risk by an individual subjected to hazing ***does not*** lessen the prohibition contained herein.

No administrator, faculty member or other employee or volunteer of the District shall encourage, permit, condone or tolerate any hazing activities. No student, including leaders of student organizations, shall plan, encourage or engage in any hazing. Hazing will result in suspension and/or expulsion from school and denial of athletic participation. If hazing or planned hazing is discovered, the involved students shall be informed of the prohibition contained within this policy and shall be required to cease all hazing activities immediately. All incidents of hazing shall be immediately reported to the Athletic Director. Those who fail to abide by this policy, including administrators, faculty members, employees, volunteers, students, etc., may be subject to disciplinary action and be liable for civil and criminal penalties in compliance with Ohio law (ORC 2307.44, 2903.31).

### **INCLEMENT WEATHER**

The Lucas Local School's policy in regard to contests and practices conducted on days when school has been canceled is delineated below. First and foremost, Lucas is concerned about the safety of its students,

employees and community members. Factors that contribute to the cancellation of classes are varied and require evaluation of circumstances that may change significantly between 6:00am and 2:00pm.

When school is closed due to factors other than inclement weather, such as maintenance breakdowns or other extraordinary events, all contests and practices may be conducted as usual, provided that consideration is made for participant safety. When school is closed due to weather-related conditions like snow or ice, the following policy will be employed:

- No practices or contests for any level below JV (9<sup>th</sup>, 8<sup>th</sup> or 7<sup>th</sup>) will be held.
- JV/Varsity activities may be conducted provided no punitive measures are taken against students whose parent/guardian(s) prohibit him/her from attending.
- No athletic activity of any kind will take place prior to 2:00pm.
- A travel advisory of “Level 2” or “Level 3” will result in the automatic postponement and/or cancellation of practices or contests.
- Head Coaches must obtain permission to conduct practice activities from the Athletic Director, Principal and/or Superintendent based on projected travel conditions during the activity time.
- Decisions in regard to contests will be made as late in the day as possible in consultation with the opponent school’s administration.

In the event that ***Thunder & Lightning*** is seen and/or heard at a practice or contest area, coaches and game personnel will immediately implement the ***Thirty-Minute Rule***. In accordance with the thirty-minute rule, competition or practice shall be suspended once lightning has been recognized or thunder is heard. It is required to wait at least thirty (30) minutes after the last flash of lightning is witnessed or thunder is heard prior to resuming practice or competition. **Any subsequent lightning or thunder after the beginning of the thirty (30) minute count shall reset the clock, and another countdown shall begin.**

### **MISSING PRACTICE**

A student must always consult his/her Head Coach directly before missing practice. ***NEVER*** rely on a teammate to deliver this message for you! Missing practice(s) or contest(s) without good cause may have a negative impact on your participation. Please refer to your individual team policies for more information.

### **MULTI-SPORT PARTICIPATION**

A student may be approved to participate in multiple sports during the same season, as determined by the AD and Head Coaches involved. In order for a student to participate in multiple sports in a season and complete the season in good standing, he/she must adhere to the following guidelines:

1. The student, and his/her parent/guardian(s), will identify his/her “primary sport” prior to the start of the regular season with the Head Coaches involved.
2. As soon as a student makes it known that he/she intends to participate in multiple sports in a given season, the Head Coaches of each sport involved will meet to establish practice and contest schedules, as well as the participation expectations placed upon the student. For scheduling purposes:
  - a. The “primary sport” will take precedence in all matters of conflicting practice times and any regular season contest dates.
  - b. Any Conference Championship event will take precedence over a regular season contest.
  - c. Any OHSAA or Northwest District Athletic Board event shall take precedence over a regular season contest.
  - d. The Head Coaches involved must rectify any schedule conflicts. At no time will the student be placed in the center of the decision-making process.
3. Any unresolved schedule conflicts or issues would be forwarded to the AD for a final decision.
4. The student and his/her parent/guardian(s) will attest to their agreement with the schedule and expectations of the written multi-sport participation plan devised by the Head Coaches involved before being permitted to participate in a second activity. Failure to follow this written agreement will result in the revocation of the privilege of multi-sport participation.

## **NO CONTACT PERIOD - OHSAA**

Any coach, paid or volunteer, in the sports of football, volleyball or basketball is prohibited from athletic or athletic-related contact with squad members (i.e., physical fitness, weight training, open gym, etc.) in the same sport for the period of time starting with the **first day after the school's last interscholastic contest and ending 28 days later**. This includes any type of tryouts in or out of school for purposes of non-interscholastic competition. It also includes verbal contact that encourages, discusses or promotes any activity related to the sports named above.

Any coach, paid or volunteer, in the sports of basketball, baseball or softball is prohibited from any athletic or athletic-related contact with squad members (i.e., physical fitness, weight training, open gym, etc.) in the same sport for the period of time ending with **Labor Day and beginning four weeks prior to Labor Day**. This includes any type of tryouts in or out of school for purposes of noninterscholastic competition. It also includes verbal contact that encourages, discusses or promotes any activity related to the sports named above.

EXCEPTIONS - Examples of activities which may be conducted by a coach with athletes from his or her team sport during the mandatory no-contact period include: all-star contests, awards ceremonies, verbal contact with a senior athlete for the purpose of facilitating the college recruitment process, contact as a faculty member assigned to teach in the regular curriculum (ex.: physical education courses such as weight training, fitness, etc.), contact as a certified athletic trainer involved with athlete rehabilitation and treatment, pick up school-issued equipment, attendance at OHSAA tournaments.

## **NON-CONTACT PERIOD**

Each summer, the Lucas Athletic Council (see page 19 for more information) has designated one full week as a 'Non-Contact Period.' This non-contact period will occur the first full week wherein the July 4<sup>th</sup> holiday falls. During this non-contact period, no mandatory or volunteer athletic activities of any kind may be scheduled. All athletic facilities will also be closed to athletic teams during this week. The specific non-contact period will be announced on the school calendar by the Athletic Director each year.

## **OPEN GYM REGULATIONS**

The OHSAA defines open gyms as "unstructured free play supervised by a school employee who may remove participants for disciplinary reasons." In the spirit of this bylaw, Lucas may designate the sport or sports that will be played during the free play period, but may not limit participation to select groups of students within the school (i.e. girls & boys may both attend an open gym for basketball). Only students may select the make-up of the teams during an open gym period. Written scorekeeping, regulation timing of games, written and/or oral personal invitations, mandatory attendance and coach-provided transportation is prohibited. A coach, paid or volunteer, violates the provision of these regulations when the coach requires, suggests or in any way implies that a student's chance to be selected for an interscholastic squad is contingent upon participation at an open gym program. (OHSAA 6.1) "In-Season" coaches may choose to prevent their athletes from participating in "off-season" *team* workouts, open gyms, shootouts, etc. of another school-sponsored team. This policy does not prohibit students from taking part in *individual skill development* (i.e. hitting, pitching, shooting, etc.) at open gym opportunities. In the spirit of this policy, Head Coaches involved will meet to determine what, if any, activities the student in question can participate in, with the in-season coach having preference. Coaches will make every attempt to schedule "off-season" activities at times that will not interfere with in-season sports and/or athletes.

## **PRACTICE TIMES**

Head Coaches will provide a copy of the team's practice schedule to each player and the Athletic Director. Practice times will be listed on the school's athletic calendar, [www.schedulestar.com](http://www.schedulestar.com), and the District webcalendar. Please note that schedules may change on a daily occurrence and without prior notice. Coaches will remind team members of the next day's schedule at each practice session or following each contest. No practice may not begin prior to 6:30am or conclude after 10:00pm without prior written authorization from the AD.

## **PREGNANT STUDENTS**

A pregnant student may participate in the athletic program only if a physician certifies in writing that the student is physically able to participate in specific events or activities and that such participation poses no threat to the health and welfare of either the mother or unborn child. This statement shall serve as medical clearance and assumption of responsibility and liability for the pregnant student's participation. A pregnant student may not participate in any manner until such a physician's statement is provided to the AD.

## **QUITTING and/or CHANGING SPORTS**

In instances where a student may find it necessary to quit a sport or make a change in sports during a season of play, the following procedure must be followed:

1. Talk with your immediate position/level coach and Head Coach about the situation.
2. Return all issued equipment/uniforms/etc. directly to your Head Coach and sign-off on your inventory form (these items will not be collected by office personnel).
3. A student who quits an athletic team may not participate in another team's open gyms, conditioning, practices, scrimmages, contests, etc. until after the conclusion of the first sport season.
  - i. **Exception:** A student who quits will be permitted to participate in another team's open gyms, conditioning, practices, scrimmages, contests, etc. if the following procedure is followed:
    1. The student schedules an exit interview with their Head Coach within the first five (5) days of mandatory practice.
    2. During the exit interview, the student will discuss the reason(s) for quitting the sport with his/her Head Coach and will return all equipment, uniforms and/or fees.
    3. At the conclusion of the exit interview, the student and Head Coach will sign-off on the *Release to Compete* form, which will then be submitted to the Athletic Director for approval, clearing the student to participate in the next season's activities.
4. At rare times, a mid-season change of teams may be permitted upon approval of the AD, with input of both coaches involved. Approval will be based upon whether a mid-season change of sports would be beneficial to the individual student without being unfair to the students on either team. Without AD consent, the student will not be eligible to participate in any open gym, practices, conditioning, scrimmages or contests until after the last contest in the sport that he/she has quit.

## **RECOGNITION NIGHT**

All teams are required to attend the Recognition Night Ceremony as the final required activity to the season, as scheduled by the team's head coach and approved by the Athletic Director. Individual athlete attendance is required in order to obtain any athletic award(s) earned during the season of participation (i.e. varsity letter, numerals, sport pin, certificates, trophies, etc.). Any student failing to attend Recognition Night without a prior written excuse by a parent/guardian that has been approved by the AD must reimburse the Athletic Department for the cost of the awards he/she is to receive.

Students are expected to follow the dress code as established by their Head Coach, or as follows for a formal event: pantsuit, slacks & blouse combination or dress that is not in part or in whole, see-through and/or exposes the naval or midriff, contains a plunging neckline, has a front, back or side slit that extends more than 6.5" above the knee, or has a low back that exposes the buttocks, slacks with a polo shirt, dress shirt & tie and/or sweater or a suit/jacket. Shorts, jeans, hats, t-shirts, flip-flops, etc. are not appropriate dress for a formal function such as this.

## **SOCIAL MEDIA, ELECTRONIC COMMUNICATION and INTERNET POLICY**

While social networking can be an important aspect of a one's life, chat rooms, bulletin boards, blogs, texting and items such as Facebook, Twitter, Skype and others can pose a serious danger to personal health, safety and welfare. Certain actions within these sites can also lead to serious issues at school and within athletic programs. As participation in athletics is a privilege, students and parent/guardian(s) must accept personal responsibility for any images, postings or information appearing on the Internet.

When using electronic communication, visiting or appearing on any Internet sites, those involved in the Lucas Athletic program are expected to maintain high standards of conduct and acceptable behavior. These acceptable standards are based upon the policies and regulations described in the Lucas Local Schools

Student Handbook, this Athletic Participation Handbook and individual team rules, regulations and expectations.

Any electronic posting or communication that disrupts either the educational or athletic environment, which advocates the violation of any school or team policy, or attacks students, teams, coaches or officials is unacceptable. These would include, but not be limited to: the consumption of alcohol and/or the use of illicit drugs; inappropriate sexually-oriented material; activities involving bullying, hazing or intimidation; speaking ill of teammates or opponents, officials or coaches. Violation of this policy may result in disciplinary action up to and including removal from the athletic program.

### **TRAVEL, CONDUCT and DRESS GUIDELINES**

When traveling to and from athletic events, students are to follow the guidelines set forth by their coach, along with all regular school bus rules. Head Coaches will set individual team policy in regard to student transportation following contests. If circumstances warrant transportation home by a parent/guardian, written notice to the Coach at least one day in advance of the event would be appreciated and only the parent/guardian shall be permitted to sign the student out following the contest on the approved form.

When traveling to and from events, conduct and dress must be appropriate and within the guidelines of the school's dress code, BOE Policies and this APH. Coaches may choose to mandate team dress on game days and/or when traveling to and from contests. Athletes who miss the bus to travel to a contest will not be permitted to participate in the contest without prior written approval of the AD and/or Principal. While on an athletic trip, students are to remain with their squad and under the supervision of the Coach(es). Students needing release from school early due to an athletic trip will be granted no more than fifteen minutes (15) release time. Further, students are not permitted to move their vehicles to other parking spots when released from class early due to athletic trips.

### **VACATION POLICY**

Students are highly discouraged from partaking in vacations during the sports season. Those wishing to take vacations during their season of participation may wish to reassess their commitment to the team. In the event of an unavoidable vacation conflict, a student must notify their Head Coach well in advance of the vacation and be prepared to assume the consequences of their actions. Missing any portion of the season will have an adverse effect on their team status, *including playing time and award status*. No student choosing to take a vacation during the season should expect to return to the team without having to earn his or her position back.

### ***Eligibility Guidelines***

As a member of the OHSAA, Lucas adheres to all rules, regulations, Bylaws and guidelines of the Association. As such, students wishing to participate in interscholastic athletics at Lucas must meet eligibility requirements as established by both the OHSAA and the Lucas Board of Education. For complete and updated information on student eligibility, visit [www.ohsaa.org](http://www.ohsaa.org) and click on the 'Eligibility' tab. Additional eligibility requirements as established by the Lucas Board of Education are outlined below.

#### **Attendance – Suspension from Class**

A student will be denied the privilege of athletic participation if he/she is suspended from class for the length of the suspension period. This denial of participation shall be in force regardless of whether the removal from class is in the form of an Out-Of-School suspension or a placement within the ALC.

#### **International Students**

Students from outside the United States are ineligible until ruled eligible by the Commissioner of the OHSAA.

#### **Scholarship Requirements**

1. In order to be eligible in grades 9-12, a student must be currently enrolled and must have been enrolled in school the immediately preceding grading period. Furthermore, during the preceding grading period,

the student must have received passing grades in a minimum of five (5) one-credit courses or the equivalent, each of which counts toward graduation. (OHSAA 4-4-1)

2. A student enrolled in the first grading period after advancement from 8<sup>th</sup> grade must have passed a minimum of five (5) of all subjects carried the preceding grading period in which the student was enrolled (OHSAA 4-4-4) and have failed no more than one (1) course in the preceding grading period.
3. The Lucas Board of Education requires that students in grades 9-12 achieve a minimum Grade Point Average (GPA) of 1.70 to maintain athletic eligibility.
4. A student enrolled in 7<sup>th</sup> grade for the first time will be eligible for the first grading period regardless of previous academic achievement. Thereafter, in order to be eligible, a student in grades 7 or 8 must be currently enrolled and must have been enrolled in school the immediately preceding grading period and passed a minimum of five (5) of all subjects carried the preceding grading period in which the student was enrolled (OHSAA 4-4-4) and have failed no more than one (1) course in the preceding grading period.
5. Students in grades 7-12 will be subject to eligibility checks at the interim reporting date as listed on the school calendar. Students failing to meet the minimum GPA and/or credit level at the interim grade reporting date will be removed from athletic participation until their performance meets the minimum standards at the next reporting period (end of quarter). Students who started the grading period academically ineligible due to a deficiency in GPA (High School) or too many failures (Middle School), may be returned to participation if their performance has met minimum standards. These interim eligibility checks cannot overrule any OHSAA eligibility guidelines.
6. Summer school and other educational options cannot be used to substitute for failure to meet academic standards. (OHSAA 4-4-7)
7. The eligibility or ineligibility of a student begins 24 hours after the mandatory grade reporting date established by the Lucas Board of Education. (OHSAA 4-4-3)
8. Students who are active in athletics, but are ineligible due to substandard academic performance, shall be under the following guidelines/expectations:
  - i. An ineligible student continues to be bound by all rules, regulations and/or expectations of the Lucas Athletic Participation Handbook and his/her individual team rules/policies.
  - ii. An ineligible student may participate in all practices, open gyms, and/or workouts and may travel with the team to away contests.
  - iii. An ineligible student may not participate in contests of any type, including scrimmages, and may not wear the team uniform on game day and may not sit on the team bench.
  - iv. An ineligible student may not take part in team pictures, any team recognitions (including awards night, pep rallies and/or other special events) and will not appear on team rosters.

### **Transfers**

The transfer bylaws apply to all students enrolled in grades 9-12. These bylaws apply to all schools, both public and private. Students transferring schools are ineligible until ruled eligible by the Commissioner of the OHSAA. For full details governing the athletic eligibility of Transfer Students, please refer to visit [www.ohsaa.org](http://www.ohsaa.org) and click on the 'Eligibility' tab.

## ***Athletic Award Information***

To earn an athletic award, a student must complete the season in good standing, which includes attending the Recognition Night ceremony, returning any school-issued uniforms/equipment and maintaining eligibility and behavioral expectations. Students who have earned varsity letters from another school may transfer their award to LHS given that they provide proof of their lettermen status to the AD (i.e. program, letter from previous AD, etc.). In addition to the criteria below, the Head Coach of each sport program may use his/her discretion in dealing with all borderline or questionable cases of athletic awards, including injured athletes, seniors, students who start in 75% of tournament competition, etc.

### **Varsity Letter Requirements**

**Baseball & Softball:** must have played in 1/4<sup>th</sup> of all the season's innings, have pinch-hit or pinch-run in 3/4<sup>th</sup> of the games played or made five (5) pitching starts or seven (7) relief pitching appearances on the team schedule.

**Basketball:** must have participated in 50% of all quarters on the team schedule.

**Cheerleading:** must have met 90% of contest and practice requirements.

**Cross Country:** must have participated in 90% of possible meets on the team schedule.

**Football:** must have participated in 50% of all quarters on the team schedule or started on special teams all season.

**Track & Field:** must have earned a minimum of 20 points or participated in 50% of possible events on the team schedule.

**Volleyball:** must have participated in 50% of games (not matches) on the team schedule.

**Wrestling:** must have participated in 90% of possible meets on the team schedule.

Students meeting the above criteria for their particular sport shall receive the following awards in recognition of their participation:

1<sup>st</sup> Year Letterwinner: Varsity 'L', sport pin, class numerals *Note: Only one block 'L' will be received during a career.*

2<sup>nd</sup> Year Letterwinner: jacket ribbon & medallion

3<sup>rd</sup> Year Letterwinner: sport plaque

4<sup>th</sup> Year Letterwinner: sport plate/plaque

Participation Certificate: A certificate is presented to those students in grades 9-12 not meeting the above criteria for a varsity letter.

Middle School Participation Certificate: A certificate is presented to those students in grades 7-8 that indicates the sport, season and grade-level of participation.

Scholar Athlete Certificate: A certificate is presented at the LHS Honors Assembly to those students in grades 9-12 that earn a minimum 3.50 GPA during their season of participation.

Senior Letterwinner Award: A plaque is presented at the LHS Honors Assembly to any senior earning five (5) or more varsity letters during his/her career. The plaque will signify the sports participated in and letters earned.

## *Lucas Local Schools Athletic Council*

The Lucas Local Schools Athletic Council integrates all interscholastic athletics within the educational program of the District. To accomplish this task, the Athletic Council recommends athletic policy and exists as an open forum for the discussion of any athletic concerns from coaches, students and/or parents/guardians. This council will not function in any way to interfere with the duties and responsibilities of the Superintendent, Principal(s) and/or Board of Education, nor will the Council review any personnel for employment, reemployment, transferring of duties and/or termination of employment.

The Athletic Council is composed of the Superintendent of Schools, High School and/or Middle School Principal, Athletic Director, a designated member of the Board of Education, the President of the Lucas Athletic Booster Club, all Head Coaches of the varsity athletic programs and one additional representative from a male and female athletic program at the Middle School level. The Athletic Council is scheduled to meet twice per year, in the fall and spring, but special meetings may be called. A quorum shall be called when a majority of the members are present at the meeting. Agenda items may be submitted in writing to the Athletic Director at any time from any interested party.

## *Lucas Athletic Booster Club*

The Lucas Athletic Booster Club is dedicated to the development of all Lucas High School athletic programs. Much of this is accomplished by supplementing individual sport needs with providing funding for uniforms, travel bags, warm-ups, post-game meals, expenses for teams and coaches, field maintenance and more. This is accomplished through a variety of fundraising activities including game concessions, funding drives, outings, etc. The Lucas Athletic Booster Club also helps students beyond High School through an annual scholarship program. The Booster Club continually welcomes new members and support. If interested in joining the

Booster Club, please attend the next scheduled meeting in the Middle School Library each month during the school year at 6:00pm. For a listing of officers, meeting dates and more, visit [www.lhscubs.com](http://www.lhscubs.com) and click on the 'Booster Club' link.

## 2018-2019 Ticket Information

### Mid-Buckeye Conference Admission Prices

#### Varsity & Varsity/JV Events:

Adult - \$6.00 Student - \$4.00 (K-12)

#### JV, 9th or Middle School Events:

Adult - \$4.00 Student - \$3.00 (K-12)

#### Lucas Athletic Department Admission Specials

*(honored at Lucas home events only)*

#### **Family Pass: \$260**

*(Good for immediate family members only, must have children attending Lucas)  
Saves a family of four who attends every athletic event at LHS over \$750!*

#### **Ten-Event Pass: Adult: \$50, Student: \$30**

*(Good for any ten home contests)*

Passes may be purchased at the gate of any home event or in the High School Office. Make checks payable to: *Lucas Athletics*.

## Frequently Asked Questions

**Q: Is today's game still on?**

A: Every attempt will be made to play contests when they are scheduled. Often decisions are made at the last second concerning snow or rainouts. Refer to [www.schedulestar.com](http://www.schedulestar.com) & [@lucascubssports](https://twitter.com/lucascubssports) on Twitter for the latest schedule updates.

**Q: School has been canceled due to weather, are we still playing tonight?**

A: If you are asking about a Varsity or JV game, the answer is *maybe*. However, MS and/or Freshman events are automatically postponed when school is canceled due to weather! Refer to the Inclement Weather Policy for more details and [www.schedulestar.com](http://www.schedulestar.com) & [@lucascubssports](https://twitter.com/lucascubssports) on Twitter for the latest schedule updates.

**Q: Why isn't my student's name in the paper?**

A: Coaches have no say in what articles make the paper, let alone whose names appears within a given article – it is all up to the article's author and the editors. Check out [www.lhscubs.com](http://www.lhscubs.com) for news from our coaches!

**Q: Can I ride home from the game with my boyfriend/girlfriend's parents?**

A: No! Only a parent/guardian may sign a student out following a contest, if the Head Coach permits. See the Travel, Conduct & Dress section for more information.

**Q: I was placed in the Alternative Learning Center (ALC) today – am I able to practice/compete tonight?**

A: No. You are ineligible for participation in athletics while you are removed from class.

**Q: I was sick this morning and arrived to school at 10:00am - am I able to compete tonight?**

A: No. You are ineligible for any practice, scrimmage and/or contest because you were not present by 9:00am.

**Q: Am I eligible for next semester/season?**

A: Eligibility is different for students in grades 7-8 than it is for students in grades 9-12 and varies greatly depending on your schedule. See the Scholarship section of this handbook for more information or contact the AD with your specifics.

**Q: Will summer school classes make me eligible? Will tutoring make me eligible? Can I turn in late or missing work to become eligible?**

A: No!

**Q: Can I stay eligible if my teachers just give me "incompletes" for my grades?**

A: No! The OHSAA mandates that any "incomplete" grade be figured as an "F" when determining eligibility.

**Q: How do I get in touch with my Head Coach?**

A: You can e-mail your coach using the links on the [www.lhscubs.com](http://www.lhscubs.com) website, call them at the number they provide you at the mandatory pre-season meeting or leave a message in their school mailbox in the High School office.

**Q: I will be attending a funeral/field trip/doctor's appointment tomorrow - can I still practice/compete afterwards?**

A: Yes, these are examples of "excused absences" from school and will not affect your eligibility for the day.

**Q: My season is over – can I turn my uniforms/equipment into the office?**

A: No. All uniforms, equipment and/or supplies must be turned in directly to your Head Coach and you must sign-off on your equipment return form to complete your season.

**Q: Why is there no story about last night's contest in the paper?**

A: The local papers do the best they can, but are limited by time, space and budgets. Coaches will report game information following each event, but the papers' editors make the final cut. Check out [www.lhscubs.com](http://www.lhscubs.com) for your news!

**Q: Do you have a map or directions to tonight's contest?**

A: The office has a *very old & outdated* book of maps to OHSAA schools that can be copied for you. However, if you view our contest schedules on-line through [www.schedulestar.com](http://www.schedulestar.com), you can obtain maps & driving directions to away events directly from the schedule screens. If you call the office, we can also provide you with directions to events.
